Junior Web Developer

We are looking for a talented Junior Web Developer who will work closely with our Senior Web Developer on a variety of projects, including website development, content updates and maintenance.

The ideal candidate will be comfortable working in a fast-paced environment, detail- and process-oriented and eager to learn and develop new skills. They will also understand the importance of maintaining high standards of quality/testing.

We are a long-established and stable marketing communications firm offering custom print, website and social media development, and other collateral for a wide variety of clients such as labor associations, law enforcement groups, entertainment companies, retailers, etc. Our top priority is the client's satisfaction.

We're an established, respected and stable custom publishing and marketing agency and provide a professional, fun work environment.

Our in-house services extend from design to content development, production and delivery. We also offer web site development, hosting and management, as well as cross-promotion of print and online vehicles for maximum return. Because we help our clients succeed, they stay with us for many years.

Letter to employer

Mr. John Doe

Customer Service Representative

911 Media

4444 W Riverside Dr

Burbank, CA 91505

Attachment: [CV - David Sapák]

Dear Mr. Doe

      I am writing you because I saw advertisement on a position in your company on Linked in. Position I am talking about is called Junior Web Developer. I would love to be a part of your team and that's the reason I am writing you this letter.

      I think I perfectly fit your job because I love to work in groups, I have one-year experience working in jQuery and WordPress in small Czech company, where I was on practice in summer 2020. I worked on my own projects and cooperated with senior developer for better results. As requested, I enclose resume, portfolio and URLs of your work, as well as salary requirement. My resume is in attachment, URL to my work is https://ples.vspj.cz/~sapak01/ and my salary requirement is 90,000 USD per year.

      I am very motivated in company as big as your because it pushes me to work on myself and get better in every aspect of my work to become a valuable part of a team. I always dreamed about living in Los Angeles and if I would get change to work in your company it would be dream come true for me.

      My email address is sapak01@student.vspj.cz I will answer any your questions or you can contact me on my phone number: 00 420 123 456 789. I am looking forward to hearing back from you.

Sincerely,

Bc. David Sapák

Dobrý den,

omlouvám se za pozdní odevzdání práce. Práci jsem udělal před nějakou dobou a neodevzdal. Z nějakého důvodu jsem si myslel že práci mám odevzdanou a nezkontroloval si to.

Děkuji za pochopení Sapák
